MEMORANDUM

TO: Boston Redevelopment Authority
FROM: Edward J. Logue, Development Administrator
SUBJECT: PERSONNEL ACTIONS - SUMMER NEIGHBORHOOD SERVICE PROGRAM

SUMMARY: The Authority is requested to approve additions to the personnel roster for the Summer Neighborhood Service Program in Washington Park toward completing a full roster.

On May 4, 1967 the Authority approved the Summer Neighborhood Service Program for the Washington Park Neighborhood Service Program. This approval contained budget appropriations to fund the necessary supervisory staff and workers.

On June 9, 1967 the Authority approved the personnel roster for the Summer Neighborhood Service Program. These additions are needed to bring the personnel up to allowance and to cover drop-outs and deletions. The additions to the personnel roster are contained in the attachments.

Since the program starts on June 17, 1967 it is necessary that the attachments be made retroactive to ensure that the personnel are paid for the period that they have already worked.
